LETTER OF REFERENCE

To Whom It May Concern,

We as, DOĞUŞ İNŞAAT VE TİCARET ANONİM ŞİRKETİ, hereby state that **Multi Purpose Tunnel Service Vehicle (MSV)** with a transport capacity of 20 tons produced and supplied all 2 of them by **E-BERK Tunnel & Foundation Technologies** is successfully done the Factory Acceptance Tests. E-BERK's MSVs also passed all the other tests such as driving and quality control successfully.

We started using E-BERK's MSVs in October 2022 for our Project named 'Cekmekoy-Sancaktepe-Sultanbeyli metro and Sarigazi (Hospital)-Tasdelen-Yenidogan metro Construction and Electromechanical Systems Procurement, Installation and Operation works' in İstanbul, Turkey.

Our sincere thanks to E-BERK for the utmost performance of the provided goods.

For future projects, we shall also be glad to work with **E-BERK Tunnel & Foundation Technologies**.

Yours Faithfully,

Faruk SERTBAŞ
Makina İkmal ve
Lojistik Direktörü
